

CALL FOR SUBMISSIONS: Studio Projects 20 & 21

market Gallery would like to invite applications from artists (working alone or collaboratively) for Studio Projects 20 & 21

market Studio Projects have been developed to offer an opportunity to support the practice of artist and artists' collectives. The successful applicants will have 24-hour access to one of the gallery's shop fronted spaces to use as a studio and exhibition space. The studio residency will last a total of 5 weeks followed by a four-week exhibition. Artists will be expected to treat **market** gallery spaces as an open studio, allowing progress to be visible and also encouraging interaction. **market** is committed to providing local and international emerging artists with a unique and supportive environment in which the selected artists can develop and push the boundaries of their artistic practice in a completely safe / nurturing space.

market Gallery is situated in the East End of Glasgow, Dennistoun that is home to a thriving community. Over the past decade the east end has undergone a significant regeneration project and now sees a number of new building developments. Dennistoun hosts a population of over 200 artists and several venues such as WASPS studio complex and Impact Arts.

Aims of the Residency

- To provide time and space for the development of ideas and production of new work
- To forge links with the local community. The artist will be expected to give a talk on their work
- To facilitate the artists career development by providing opportunities for discussion and networking

Terms and Conditions

The artist/collective

- must not be within full time education
- should consider the nature of **markets** space in their application
- artists will be expected to lead on all aspects of their project
- artists must de- install the exhibition and return the space to its original state immediately after the exhibition ends

market will

- provide the artist with an initial fee of £400 paid on the first date of the project, plus a further £400 expenses fee upon completion of the exhibition
- provide internet and telephone access at no additional charge
- assist with the project and installation

Studio Project 20 & 21: January/February 2010

Deadline for Submissions: 13 November 2009

Please submit a completed application form that contains:

1. Documentation of recent work
(no more than 8 images – jpegs videos on DVD – 10 mins maximum)
